Worshipful Master’s Trestle Board

In my last Trestle Board I talked about the three fundamental tenets of Freemasonry, and I focused on brotherly love. I explained how it was the brotherly love aspect of the Craft that drew me in and kept me around. Last year, when I sat down and thought about what I wanted to accomplish this year in Lodge, my first objective was to initiate more programming that would enlighten the friends and families of our members and to attract quality candidates for membership in our fraternity. Sharing our Craft with those around us, whether in the community or with our family and friends, is what this is all about. For if we simply keep our experiences within the members of the Craft, how will we enrich our own lives? At the beginning of February, we will be sharing our experiences with our friends and family, and those who we may believe to be great candidates for the Craft. We will be conducting our first Friend to Friend event for our Lodge, and I look forward to a fun and enjoyable evening for us all. More information will be provided to you about that in the coming days.

Our regular meeting in January will be the Official visit of our DDGM, R.W. Bro. Elliot Zovighian, and I look forward to a wonderful evening for us all on that night. Mr. Ted Tsanas will be initiated into our Lodge on that evening, and I’m sure that we will all help to make that an evening our new candidate will never forget. I look forward to seeing you in Lodge.

Fraternally, W. Bro. Elly Richmond
